If you would like to travel more kilometers, contact *Ecomobile – Rent a Car's* commercial services.

NOTE:

EXTRA KILOMETER VALUE:

- **LIGHT PASSENGER VEHICLES: €0.20** (taxes included);
- **LIGHT COMMERCIAL VEHICLES: €0.30** (taxes included).

NOTE:

If there is an extension associated with a Rental Contract, it's necessary to add the number of days of the Rental Agreement and the number of extension days in order to determine the number of kilometers allowed to travel upon table above.

Example: 2 days of a Rental Contract + 1 day of extension = total of 3 days rental (3 days equals 1.200 kms as table above).

ECOMOBILE – RENT A CAR ADVICE:

Purchase Extra Packs of 100 Kms or more at the time of your booking or at the time of pick-up of the contracted vehicle, paying less than what you would pay at the time of return of the vehicle.

Example #1: 1 x Pack of 100 Kms for a light passenger vehicle purchased at the time of booking or pick-up will be €15.00 (taxes included). If you pay at the time of return of the vehicle you will pay €20.00 (taxes included);

Example #2: 1 x Pack of 100 Kms for a light commercial vehicle purchased at the time of booking or pick-up will be €25.00 (taxes included). If you pay at the time of return the vehicle will pay €30.00 (taxes included).

Please note that this product can only be purchased before you pick-up your vehicle (check-out) and never at the time of return (check-in). So as you already know, save and prevent extra expenses in advance.
