

## OUT OF HOURS SUPPLEMENT

This supplement is applied when the pick up and / or the return of the rented vehicle is made outside the normal hours of *Ecomobile – Rent a Car* Rental Stations. If the rental vehicle's pick-up and return periods are outside the normal opening hours of the *Ecomobile – Rent a Car* Service Station, you must contract 2 (two) "Out of Hours" supplements. Sometimes the simulator already defines this supplement in the final result of the simulation. However, if you do not do this, you should always manually select the "Out of Hours" Supplement.

The Out of Hours Supplement has a unique price of 35,00€/service (Taxes included).
