By contracting the **SUPER PLUS** you are saving! If you select one insurance/coverage alone, you will pay more.

The **SUPER PLUS** is always added to the 50% and 75% deposit reductions or, perhaps, to its extinction. The latter only applies to the light passenger vehicles.

The **SUPER PLUS** gives you extraordinarily beneficial conditions by reducing your liability and risk that are inherent to a Car Rental Contract. So, you know, minimize the risk by contracting the **SUPER PLUS**.

To find out more about each coverage/insurance that is incorporated in the **SUPER PLUS** consult the 6th Clause (Insurances) of the General Rental Terms.
